## Supplemental Reply with Amendment

SIR:

The document "Supplemental Reply Under 37 CFR 1.129(a) and 37 CFR 1.116" that was hand-carried to Group 1800 today has been determined to contain a typographical error. On the last line of page 6 thereof, the words --as would otherwise be -- should be placed in front of the word "produced" at the beginning of the parenthetical expression. Applicants regret any inconvenience caused by this omission.
